(BPPE) Approval to operate means the institution is compliant with minimum standards contained in the California Private Postsecondary Education Act of 2009 (as amended) and Division 7.5 of title 5 of the California code of Regulations.

1.4 Notice to Prospective Degree Program Students

This institution is provisionally approved by the Bureau for Private Postsecondary Education (BPPE) to offer degree programs. To continue to offer this degree program, this institution must meet the following requirements:

Become institutionally accredited by an accrediting agency recognized by the United States Department of Education, with the scope of the accreditation covering at least one-degree program

If this institution stops pursuing accreditation, it must:

- Stop all enrollment in its degree programs, and

An institution that fails to comply with accreditation requirements by the required dates shall have its approval to offer degree programs automatically suspended.

These resources supplement the university's curriculum. Students may access the internet using their laptops or a desktop computer from the computer lab during operational hours. The online course management system, Moodle, supports classroom instruction. By using Moodle, students can send a message to their instructor regarding a missed assignment.

They can access PowerPoint slides and lecture videos for assignments missed or simply to revisit for further study. The university's physical library houses books, periodicals, journals, and other supporting material that supplement the university's curriculum. In addition, the library offers a communal space for students to work on homework or projects either individually or as a group.

1.9 Student Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. (An "eligible student" under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution at any age.) These rights include:

- The right to inspect and review the student's education records within 45 days after the day Virscend University receives a request for access. A student should submit to the Office of Student Success a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
- The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. A student who wishes to ask Virscend University to amend a record should write to the Office of Student Success and clearly identify the part of the record the student wants changed and specify why it should be changed. If Virscend University decides not to amend the record as requested, Virscend University will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
- The right to provide written consent before Virscend University discloses personally identifiable information (PII) from the student's education records, except to the extent

that FERPA authorizes disclosure without consent. Virscend University discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is typically including a person employed by Virscend University in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the Virscend University.

- The right to file a complaint with the U.S. Department of Education concerning alleged failures by Virscend University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Upon review of the request, the Academic Committee will make the final decision.

Section 4: Transfer Policy

4.1 BS Program

This is a new program that Virscend University plans to start in the Fall of 2024. This program is designed for students with an Associate Degree that are looking to receive a Bachelor Degree in Business Administration. Please read the information below and contact The Admissions Department for further information at (949) 502-6252 or email admission@virscend.com.

Virscend University only takes transfer students for our Bachelor of Science in Business Administration program. Applicants must have an associate degree from a community college or two-year equivalent study from either a two-year or four-year college with a minimum of 60 units and a minimum GPA of 2.5 or other consideration deemed valid by the Admissions Committee. The student will follow our admissions process and submit an application along with official transcripts and an application fee to the Office of Admissions (See Admissions). For further assistance, call the Office of Admissions at (949)502-6252.

Virscend University accepts up to 60 lower division units transferred from an accredited institution based on case-by-case consideration or articulation agreements. The Admissions Committee will evaluate and make judgments about the equivalency of the transfer of credits. The evaluation criteria include the course level (upper or lower division), the course title and content, the number of units, the accreditation status of the school where the course was taken, the student's grade earned, and the mode of instruction.

4.2 MBA Program

The transfer policy is not applicable to the MBA program unless it is from a school with an articulation agreement (please refer to Section 17: Articulation Agreements). Otherwise, students must be awarded a bachelor degree from an accredited university, and if it is an international degree must have their credentials evaluated by a NACES recognized agency that validates the equivalency of the international degree to that of a United States degree.

Section 5: Non-Matriculated Student Policy

Non-matriculated students are students who take courses with non-degree related objectives. Non-Matriculated students are not required to apply for admission to the university. Non-Matriculated students register directly for courses. Virscend University allows non-matriculated students to register for fall, spring and summer classes (upon availability and meeting the Non-Matriculated Student Criteria). However non-matriculated students will not be granted a Degree/Diploma and the credits earned cannot be counted towards a degree as indicated on the student's transcript. Only matriculated students may receive a degree/diploma from Virscend University. If non-matriculated students decide to pursue a degree, they must apply for admission and credits earned under non-matriculated status may be applied towards the degree. This applies to both the BS and MBA programs. Note that the 8-year (B.S. program)/5-year (MBA program) Validity of Coursework policy applies.

5.1 Non-Matriculated Student Admission Criteria

Section 6: International Degrees & English Requirements

All instructions will be delivered in English. Students who fail to meet the minimum English language requirement can enroll in one of the Virscend University's partner ESL programs to fulfill the requirement. A conditional acceptance letter will be issued if the student has satisfied all other admission requirements. The student will be admitted to the program after completing the required ESL program. To learn more about attending an ESL school to obtain the minimum language requirements, please reach out to the admissions office via email at admission@virscend.com or by phone at (949) 50-6252

6.1 Admission Requirements

For students who have obtained their undergraduate/graduate coursework from an institution outside of the United States, the following additional steps must be taken in order to satisfy the application requirements for both the BS and MBA programs:

1. Degree Validation from WES (World Education Services), IERF (International Education Research Foundation) or NACES
 - Students must submit their transcripts, degree and any other documents to either one of the above listed agencies or recognized NACES approved agencies. The agency will verify that all documentation is accurate and that it meets the accreditation criteria necessary to transfer their degree into the equivalent of a bachelor degree, coursework, and/or certificate from an accredited institution of the United States. The agency will report their findings to our school.
2. English Proficiency Requirement

Students who have an international degree must provide proof of English proficiency in either of the following ways:

 - Medium of Instruction Letter (MIL): Students may obtain a MIL letter from the respective university in which they have completed their coursework. The MIL letter serves as a legal document that certifies that all instruction in the foreign institution has been delivered in the English Language Only.
 - Completion and a minimum score as listed below for either of the following exams:

BS Program (2-year degree completion program)

- TOEFL: 61, IELTS 5.5, PTE: 43, DUOLINGO: 95, EIKEN: Pre-1, Cambridge English Assessment: 162, or ESL Program: Level 4

MBA Program:

- TOEFL: 80, IELTS 6.0, PTE: 58, DUOLINGO: 115, EIKEN: 1, Cambridge English Assessment: 169, or ESL Program: Level 6

Students who do not have a language test score nor a MIL may be provisionally admitted to the university upon review of a candidate's work experience and/or English related coursework, and in-house English test.

- If the student has acquired work experience where English language was the primary language used within their work environment, the student may submit their resume/employer's letter emphasizing the length of employment and department contact information where confirmation of English usage during employment may be verified. Please note that the student must have had a minimum of one year of employment.
 - Students submitting work experience to meet the English Proficiency requirement are subject to an interview and written assessment.
- If the student has completed an English program from an accredited institution, the student may submit transcripts/certificates showing English language coursework taken within the trajectory of a year.
- Candidates undergo an interview that allows the candidate to demonstrate his/her speaking and listening skills.
- The written assessment assesses reading comprehension and conventional grammar rules.

Both the interview and written assessment have been carefully crafted to assess a candidate's readiness for the program in which he/she is applying. Once conducted the results are assessed and communicated to the Admission Committee.

Further, Virscend University recognizes that second language acquisition is a lifelong endeavor. Students who satisfy the requirements for admission will be monitored periodically to ensure that the students receive language support when necessary. Virscend University may require students to partake in a language development course/program to further assist their English development. Currently, the university sponsors Irvine Project Manager Toastmasters. Irvine Project Managers Toastmasters is part of an international educational organization. It is recognized for its focus in communication and leadership development. Students may consider registering for Irvine Project Managers Toastmasters or other language development programs upon approval from the Academic Program Director.

6.2 Regarding Student Visas

Virscend University does not provide visa related services to students.

Virscend University currently offers form I-20 for an F-1 status student visa to qualified international student applicants for the MBA program.

F-1 Student Visa:

The F-1 Student Visa is the most common visa for international students studying in the United States. It is issued to students who are enrolled in a full-time academic program at a U.S. educational institution. To obtain an F-1 visa, you must provide proof of acceptance to a SEVP-approved school, demonstrate that you have the financial resources to support yourself during your studies, and show that you intend to return to your home country after completing your program.

Section 7: Credit Hour Policy

7.1 Notice Concerning Transferability of Credits & Credentials Earned at our Institution

As mandated by BPPE under E. Code 94909:

"The transferability of credits you earn at Virscend University is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the degree you earn in MBA or BS program is also at the complete discretion of the institution to which you may seek to transfer. If the degree or coursework that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Virscend University to determine if your degree or coursework will transfer."

7.2 Credit Hour Definition and Policy

Under federal regulations effective July 1, 2011, credit hour must comply with the following definition:

“Except as provided in 34 CFR 668.8(k) and (l), a credit hour is an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates not less than (1) one hour of classroom or direct faculty instruction and a minimum of two hours of out of class student work each week for approximately fifteen weeks for one semester or trimester hour of credit, or ten to twelve weeks for one quarter hour of credit, or the equivalent amount of work over a different amount of time; or (2) At least an equivalent amount of work as required in paragraph (1) of this definition for other academic activities as established by the institution including laboratory work, internships, practice, studio work, and other academic work leading to the award of credit hours.”

In compliance with the federal law stated above our BS and MBA programs adopt a semester system of 16 weeks in length with 15 weeks of instructional hours and 1 week reserved for final exams. Each course offers 3 credit units and requires a total of 3 instructional hours per week for a total of 45 instructional hours plus the final exam in a semester per class. As of now, both of our BS and MBA programs are delivered through direct faculty instruction.

Section 8: Academic Policies

8.1 Attendance Policy and Procedure

8.1.1 Attendance Policy

Students are expected to attend classes regularly. Classroom participation is often one of the necessary and important requirements to learning and in many cases is essential to the educational objectives of the course. Students are required to attend more than 70% of the scheduled sessions throughout the entire program.

8.1.2 Attendance Procedure

When a student falls below 80% of attendance, they will receive a verbal warning from their instructor. When a student falls below 70% of attendance they will be placed on probation for the remainder of the program. The student will be notified of their probation status and they will be required to meet with the Academic Program Director or student advisor. Students who arrive to class more than 10 minutes after the class is scheduled to commence will receive an unexcused absence for that class period, subject to review by the instructor.

8.2 Academic Probation and Dismissal Policies

The Academic Program Director may place a student on academic probation if the student is not making satisfactory academic progress as per Virscend University's GPA requirement. The student's grade point average will be monitored at the end of each semester when grades are posted. Should the student's GPA fall below 3.0 for MBA program students and 2.0 for BS program students, a student may be placed on academic probation. This will result in a formal advisory note, which will be sent to the student by mail or email, explaining the reason for the probation. If the student wishes to appeal the formal advisory, the student is to submit a written request for an administrative academic review to the Office of Academic Programs:

Virscend University, 16490 Bake Parkway, Irvine, CA 92618

After the completion of the currently enrolled term, the student will have two additional terms to bring his or her grade point average up to or exceeding the minimum standard of the institution. The Academic Program Director will offer assistance in locating a suitable tutor, should such service be requested by the student. Any student seeking a tutor is financially responsible for the cost of all such tutoring. Thereafter, the student's failure to achieve satisfactory academic progress may result in dismissal from the program.

8.3 Leave of Absence Policy and Procedure

8.3.1 Leave of Absence Policy

- Students who find it necessary to take time away from their studies for any reason (personal, medical, emergency, etc.) may request to take a Leave of Absence with the Office of Academic Programs.
- Leave of Absence application is reviewed by the Program Director.

- Upon approval, Leave of Absence is valid for 1 semester.
 - Should the student need a longer leave of absence, they must reapply when their leave is over

8.3.2 Leave of Absence Procedure

- Should circumstances be such that a leave of absence is to be requested, a student must fill out and submit the [Leave of Absence application online](#)
- The application will be reviewed by the Program Director and a decision is normally made within 5 working days.
- Once a decision has been made, the student will be notified that the Leave of Absence has either been approved or denied

8.4 Incomplete Grade Policy and Procedure

8.4.1 Incomplete Grade Policy

If you cannot complete all of the assigned work for a class and there is still a possibility of earning credit, you must contact your instructor to review the possibility of receiving an Incomplete (“I”) grade. Per Virscend University Policy, an Incomplete (“I”) grade may be assigned at the discretion of the instructor when the student has successfully completed approximately two-thirds or more of the course requirements. The Incomplete grade provides students with an extended period of time to complete course requirements. The reasons for requesting an incomplete are vast, such as illness that precludes you from attending class or studying, general hardships, or family emergencies; Virscend is willing to work with students in their specific situation.

You cannot re-enroll for a class with an Incomplete (“I”) grade.

8.4.2 Incomplete Grade Procedure

To receive an Incomplete grade:

- The student must contact their instructor to review the possibility of receiving an Incomplete grade.
- If the instructor approves, the instructor will work with the student to complete the Incomplete Grade Form no later than 5 working days after the end of the term. The form will include the course work required to remove the Incomplete grade.
- The student must submit their remaining assignments to the instructor, who will assign the final grade for the class.
- The deadline for the student to complete the remaining assignments outlined in the form is one calendar year from the last day of the term in which the Incomplete grade was assigned or by the “Deadline for Completion” indicated in the form, whichever is earlier.
- The Incomplete Grade Form will also include the “Grade Without Further Work,” which will be assigned if the student fails to complete the remaining assignments by the deadline.
- After the student submits the remaining assignments to the instructor, the instructor will assign the final grade.

8.5 Add/Drop Policy and Procedure

8.5.1 Add/Drop Policy

- **8.5.1a Add or drop within the first 10 working days of the semester**
 - Students may add/drop course(s) within the first 10 working days of the semester without any administrative consequence. No instructor signature is required. However, the university encourages students to meet with the instructor or academic advisor to evaluate whether dropping a course is the best course of action
- **8.5.1b Add or drop AFTER the first 10 working days and BEFORE the last 10 working days of the semester (Late add/drop)**
 - A late fee will be charged for a late add/drop.

- **8.5.1c Dropping a class within the last 10 working days of the semester**
 - Only done in special circumstances and need permission from the Program Director
- **8.5.1d Administrative Withdrawal**
 - If a student is absent or stops showing up to classes, an instructor or administrator may withdraw a student from the course. It is the responsibility of the student to contact their instructor to notify him/her about any absence. Yet, it is at the discretion of a professor to determine whether the absence can be excused. If a student is administratively withdrawn, they will receive an F and will have to retake the course.

8.5.2 Add/Drop Procedure

- **8.5.2a Add or drop WITHIN the first 10 working days of the semester**
 - If you wish to add or drop a class, complete and submit the [online add/drop form](#)

 - The Office of Student Success will send you a confirmation email, typically within 5 business days of submission.
 - Refunds are processed via the refund policy if applicable.

- **8.5.2c Add or drop WITHIN the last 10 working days of the semester.**
 - If you need to add or drop a class within the last 10 business days of a semester, please follow the procedure above. A special review by the Program Director will be completed to approve your add/drop request.

Notice of cancellation shall be in writing, and a withdrawal may be effectuated by the student's written notice to the school's Admissions Office, 16490 Bake Pkwy, Suite 100, Irvine, CA 92618 or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance. In addition, the school may withdraw a student from a course, if within the first two weeks of class the student has not reported to class nor communicated his intent to the instructor and admission office.

10.6 Refund Policy & Procedure

Refund Policy

A pro rata refund pursuant to section 94919(c) or 94920(d) or 94927 of the Code shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student, calculated as follows:

- (1) The amount owed equals the daily charge for the course (total institutional charge, divided by the number of days in the semester), multiplied by the number of days since the semester started. After 60% of the semester has been completed, there will be no refund available.

- (2) Except as provided for in subdivision (a)(3) of this section, all amounts paid by the student in excess of what is owed as calculated in subdivision (a)(1) shall be refunded.
- (3) Except as provided herein, all amounts that the student has paid shall be subject to refund unless the enrollment agreement and the refund policy outlined in the catalog specify amounts paid for an application fee or deposit not more than \$250.00, books, supplies, or equipment, and specify whether and under what circumstances those amounts are non-refundable. Except when an institution provides a 100% refund pursuant to section 94919(d) or section 94920(b) of the Code, any assessment paid pursuant to section 94923 of the Code is non-refundable.
- (4) For purposes of determining a refund under the Act and this section, a student shall be considered to have withdrawn from an educational program when he or she withdraws or is deemed withdrawn in accordance with the withdrawal policy stated in its catalog.

Refund Procedure

- In the event that the student wishes to withdraw from a course, the student must fill out and submit an Add/Drop Form on the Virscend University website at <https://www.virscend.com/student-forms/>. The consent of the instructor is required if the request is past the first 2 weeks of the course. If the instructor does not provide consent within 2 business days after the form is submitted, the instructor is deemed to have consented. If instructor consent is not required, the date on which the form is submitted will be the withdrawal date. If instructor consent is required, the date on which the instructor provides consent (or is deemed to provide consent) will be the withdrawal date. The student will then be directed to the Office of Financial Services where the student will obtain a refund, in accordance with the refund policy and a receipt.
- How to Calculate Prorated Refund:
 - Count the number of days from the first day of the semester (Fall 2023 = Aug. 28 and Spring 2024 = Jan. 8) to the date of your withdrawal.
 - Divide the number of days by number of days in the semester (Fall = 117 days and Spring 2024 = 114 days) and multiply it by the cost of a single course to get your prorated fee.
 - Subtract prorated fee from actual fees paid. This will be your approximate refund for one course.
 - Example:
 - Chris withdraws from all his Spring MBA classes on the 10th day of the semester.
 - $10/110 \times \$2,400.00 = \205.13

- $\$2,400.00 - \$205.13 = \$2,194.87$ refund

Section 11: Policies and Regulations Regarding Financial Aid

11.1 Financial Aid Policy

While Virscend is working on acquiring financial options for students, at the moment, Virscend university is not affiliated with any private or government financial institution. Students enrolled in an unaccredited institution are not eligible for federal financial aid programs. There are no loan programs or federal financial aid. Students must finance their own tuition or apply for Virscend University's academic scholarships. Currently, Virscend offers 3 types of scholarships: Presidential Scholarship, Academic Scholarship and Professional-Scholarship to qualified students. The Presidential Scholarship allows the student to waive 100% of the cost of tuition. The Academic Scholarship allows students to waive 75% of the full cost of tuition and Professional Scholarship allows students to waive 50% of the full cost of tuition. All scholarships do not waive any applicable fees such as the registration fee. Candidates who apply for scholarships are evaluated based on individual qualifications which may include the following criteria: GPA, standardized test scores, and work experience. Students must maintain satisfactory academic progress to remain eligible for the scholarships. For more information on our scholarship, email us at admission@virscend.com.

To finance their own tuition, students either pay in-person via check (cash is not accepted) at the Office of Admissions office or online by visiting our website: www.virscend.com. 11.3 STRF Disclosure

Student Tuition Recovery Fund Disclosures:

In compliance with BPPE code, Virscend University provides the following regulations regarding STRF.

5 CCR §76215(a)

“The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

5 CCR §76215(b)

“It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N. Market Blvd #225 Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number.”
